*Wells Fargo Merchant Services*

# Preferred payment processing provider for IAQA

### Many ways to pay

Payment options for customers continue to grow as new technologies come to market. You want to accept as many of these options as possible to give your customers the convenience they want and expect.

As a Wells Fargo Merchant Services customer, you can customize a payment solution that makes sense for you and include:

- Visa®
- MasterCard®
- American Express®
- Discover® Network
- Gift cards

In addition to credit, debit, and gift cards, we can provide solutions to support new payment methods such as EMV chip card and NFC (Near Field Communication) contactless payments.

### Solutions to fit your needs

We're committed to providing you with simple solutions that fit your individual needs.

- **Customized payment options** so you can accept payments at the office, online, or remotely.
- **Simple setup** so you are up and running quickly.
- **Funding as soon as the next business day** when linked to a Wells Fargo deposit account.
- **Support when you need it** with robust online reporting and customer service available 24 hours, 7 days a week.

### Get comfortable about compliance

Our team of experts understands Payment Card Industry (PCI) requirements and payment network regulations that may affect your business. They will provide you with tools and information to help you keep your customers' information safe, and protect your business and its reputation.

## 3 Ways IAQA members benefit

*When choosing Wells Fargo Merchant Services*

1. **Preferred pricing** – As a member of the Indoor Air Quality Association, you're eligible to receive reduced pricing terms, helping you keep costs lower.
2. **Waived fees** – Your IAQA membership also qualifies you for a number of annual and monthly fee waivers saving you hundreds of dollars.
3. **Expert guidance** – To help you keep up with changes in payment technology and security requirements, like chip card technology and NFC payments such as Apple Pay.

**Manage costs | Maintain compliance**

**No application fee | No set-up fee | No annual fee**  
**No statement fee | No per transaction fee**
